

**Notice to Employee**

1. For state purposes, an individual may claim only natural dependency exemptions. This includes the taxpayer, spouse and each dependent. Dependents are the same as defined in the Internal Revenue Code and as claimed in the taxpayer's federal income tax return for the taxable year for which the taxpayer would have been permitted to claim had the taxpayer filed such a return.
2. You may file a new certificate at any time if the number of your exemptions **increases**.

You must file a new certificate within 10 days if the number of exemptions previously claimed by you **decreases** because:

- (a) Your spouse for whom you have been claiming exemption is divorced or legally separated, or claims her (or his) own exemption on a separate certificate.
- (b) The support of a dependent for whom you claimed exemption is taken over by someone else.
- (c) You find that a dependent for whom you claimed exemption must be dropped for federal purposes.

The death of a spouse or a dependent does not affect your withholding until the next year but requires the filing of a new certificate. If possible, file a new certificate by Dec. 1st of the year in which the death occurs.

For further information, consult the Ohio Department of Taxation, Personal and School District Income Tax Division, or your employer.

3. If you expect to owe more Ohio income tax than will be withheld, you may claim a smaller number of exemptions; or under an agreement with your employer, you may have an additional amount withheld each pay period.
4. A married couple with both spouses working and filing a joint return will, in many cases, be required to file an individual estimated income tax form IT 1040ES even though Ohio income tax is being withheld from their wages. This result may occur because the tax on their combined income will be greater than the sum of the taxes withheld from the husband's wages and the wife's wages. This requirement to file an individual estimated income tax form IT 1040ES may also apply to an individual who has two jobs, both of which are subject to withholding. In lieu of filing the individual estimated income tax form IT 1040ES, the individual may provide for additional withholding with his employer by using line 5.

## Statement Concerning Your Employment in a Job Not Covered by Social Security

---

Employee Name \_\_\_\_\_ Employee ID# \_\_\_\_\_

Employer Name \_\_\_\_\_ Employer ID# \_\_\_\_\_

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

### Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

### Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

### For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at [www.socialsecurity.gov](http://www.socialsecurity.gov). You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

**I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.**

## Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, [www.socialsecurity.gov/online/ssa-1945.pdf](http://www.socialsecurity.gov/online/ssa-1945.pdf). Paper copies can be requested by email at [ofsm.oswm.rqct.orders@ssa.gov](mailto:ofsm.oswm.rqct.orders@ssa.gov) or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.
