Ms. Barrie Howell, President
The Renhill Group
28315 Kensington Ln., Suite B
Perrysburg, Ohio 43551

Dear Ms. Howell:

This letter represents my unconditional support and recommendation for staffing services provided by the Renhill Group. For the past several years, the McComb Local Schools have used the Renhill agency to procure substitute teachers for our school system. Renhill's service has greatly enhanced our efficiency. No longer must we ask our regular teachers to forego conference and planning periods to cover classes when we cannot locate a substitute teacher. No longer must we pay teachers to fill in for their colleagues. No longer must we simply settle on a "warm body" to educate our students due to a limited supply of substitute teachers. No longer do my principals dread that 5:00 a.m. phone call in the dead of winter from a staff member requesting a sub. Thanks to Renhill, my principals can truly focus on being instructional leaders. My central office payroll operations have become much more efficient due to Renhill's ability to process substitute payroll, workers' comp, Medicare, unemployment payments, and reports.

In this era of tight budgets, Renhill has allowed us to stretch our local tax dollars and to put more money back into the classrooms for the benefit of our children. Renhill provides a new way of thinking that aligns with our newly elected governor's philosophy of reducing costs by privatizing certain public sector services. The Renhill Group is a leader in the 21st century efficiency. Contact them. Your teachers and administrators will appreciate it and your board members and taxpayers will thank you!

Respectfully,

A handwritten signature in black ink that reads "Michael V. Lamb". The signature is fluid and cursive.

Michael V. Lamb, Superintendent
McComb Local Schools
