IT 4 Instructions

Most individuals are subject to Ohio income tax on their wages, salaries, or other compensation. To ensure this tax is paid, employers maintaining an office or transacting business in Ohio must withhold Ohio income tax, and school district income tax if applicable, from each individual who is an employee.

Such employees who are subject to Ohio income tax (and school district income tax, if applicable) should complete sections I, II, and IV of the IT 4 to have their employer withhold the appropriate Ohio taxes from their compensation. If the employee does not complete the IT 4 and return it to his/her employer, the employer:

- Will withhold Ohio tax based on the employee claiming **zero exemptions**, and
- **Will not** withhold school district income tax, even if the employee lives in a taxing school district.

An individual may be subject to an interest penalty for underpayment of estimated taxes (on form IT/SD 2210) based on under-withholding.

Certain employees may be **exempt** from Ohio withholding because their income is not subject to Ohio tax. Such employees should complete sections I, III, and IV of the IT 4 **only**.

The IT 4 does not need to be filed with the Department of Taxation. Your employer must maintain a copy as part of its records.

R.C. 5747.06(A) and Ohio Adm.Code 5703-7-10.

Section I

Enter the four-digit school district number of your primary address. If you do not know your school district of residence or its school district number, use *The Finder* at tax.ohio.gov. You can also verify your school district by contacting your county auditor or county board of elections.

If you move during the tax year, complete an updated IT 4 immediately reflecting your new address and/ or school district of residence.

Section II

Line 1: If you can be claimed on someone else's Ohio income tax return as a dependent, then you are to enter "0" on this line. Everyone else may enter "1".

Line 2: If you are single, enter "0" on this line. If you are married and you and your spouse file separate Ohio Income tax returns as "Married filing Separately" then enter "0" on this line.

Line 3: You are allowed one exemption for each dependent. Your dependents for Ohio income tax purposes are the same as your dependents for federal income tax purposes. See R.C. 5747.01(O).

Line 5: If you expect to owe more Ohio income tax than the amount withheld from your compensation, you can request that your employer withhold an additional amount of Ohio income tax. This amount should be reported in whole dollars.

Note: If you do not request additional withholding from your compensation, you may need to make estimated income tax payments using form IT 1040ES or estimated school district income tax payments using the SD 100ES. Individuals who commonly owe more in Ohio income taxes than what is withheld from their compensation include:

- Spouses who file a joint Ohio income tax return and both report income, and
- Individuals who have multiple jobs, all of which are subject to Ohio withholding.

Section III

This section is for individuals whose income is deductible or excludable from Ohio income tax, and thus employer withholding is not required. Such employee should check the appropriate box to indicate which exemption applies to him/her. Checking the box will cause your employer to not withhold Ohio income tax and/or school district income tax. The exemptions include:

- Reciprocity Exemption: If you are a resident of Indiana, Kentucky, Pennsylvania, Michigan or West Virginia and you work in Ohio, you do not owe Ohio income tax on your compensation. Instead, you should have your employer withhold income tax for your resident state. R.C. 5747.05(A)(2).
- Resident Military Servicemember Exemption: If you are an Ohio resident and a member of the United States Army, Air Force, Navy, Marine Corps, or Coast Guard (or the reserve components of these branches of the military) or a member of the National Guard, you do not owe Ohio income tax or school district income tax on your active duty military pay and allowances received while stationed outside of Ohio.

This exemption does not apply to compensation for nonactive duty status or received while you are stationed in Ohio.

R.C. 5747.01(A)(21).

- Nonresident Military Servicemember Exemption: If you are a nonresident of Ohio and a member of the uniformed services (as defined in 10 U.S.C. §101), you do not owe Ohio income tax or school district income tax on your military pay and allowances.
- Nonresident Civilian Spouse of a Military Servicemember Exemption: If you are the civilian spouse of a military servicemember, your pay may be exempt from Ohio income tax and school district income tax if all of the following are true:
 - Your spouse is a nonresident of Ohio;
 - You and your spouse are residents of the same state;
 - Your spouse is stationed in Ohio on military orders; and
 - You are present in Ohio solely to be with your spouse.

You **must** provide a copy of the employee's spousal military identification card issued to the employee by the Department of Defense when completing the IT 4.

Note: For more information on taxation of military servicemembers and their civilian spouses, see 50a U.S.C. §571.

- Statutory Withholding Exemptions: Compensation earned in any of the following circumstances is not subject to Ohio income tax or school district income tax withholding:
 - Agricultural labor (as defined in 26 U.S.C. §3121(g));
 - Domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;
 - Services performed by an employee who is regularly employed by an employer to perform such service if she or he earns less than \$300 during a calendar quarter;

- Newspaper or shopping news delivery or distribution directly to a consumer, performed by an individual under the age of 18;
- Services performed for a foreign government or an international organization; and
- Services performed outside the employer's trade or business if paid in any medium other than cash.

*These exemptions are not common.

Note: While the employer is not required to withhold on these amounts, the income is still subject to Ohio income tax and school district income tax (if applicable). As such, you may need to make estimated income tax payments using form IT 1040ES and/or estimated school district income tax payments using form SD 100ES.

See R.C. 5747.06(A)(1) through (6).

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name _____ Employee ID# _____

Employer Name _____ Employer ID# _____

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.
