Transparency in Coverage Rule

Federal Transparency in Coverage “Tri-Agency” Rule consists of two primary provisions.

Publicly-Disclosed Machine Readable Files	Detailed pricing data for all covered items and services via three separate machine-readable files: <ol style="list-style-type: none"> 1. In-network negotiated rates for all items and services. 2. Allowed amounts for out-of-network items, services, and prescription drugs. 3. Negotiated rates and historical prices for in-network prescription drugs. (Delayed pending additional rulemaking.) 	July 1, 2022 Updated monthly
Consumer Price Transparency Tool	<ul style="list-style-type: none"> • Personalized Member Price Transparency tool — personalized, real-time, cost share estimates for covered services and items, including pharmacy. • Plans must include disclaimers that the estimate may not be the same as what is billed. • Formats: web-based self-service tool and paper form, by request. • Applies to individual and group markets for policy/plan years beginning January 1, 2023. 	On and after January 1, 2023 – 500 shoppable services January 1, 2024 – all items and services

Supporting clients’ “transparency in coverage” rule

UnitedHealthcare is working to ensure a price transparency tool and machine-readable rate files are available for all UnitedHealthcare platforms, pricing structures, and plan designs for individuals and their authorized representatives at the appropriate time

We are committed to helping our customers comply with the new rule

- We will continue to gather information from customers on what their needs are

- Self-funded customers that have plans with custom networks should discuss their specific needs with their UnitedHealthcare representative
- Customers can expect timely and relevant information regarding potential administrative costs as more details become available

By leveraging the full capabilities of UnitedHealth Group, across UnitedHealthcare and Optum, differentiated value to our customers and members and reducing the total cost of care
